

**Associate, Equine Internal Medicine,
Fixed-term, Maternity Cover Position
RosSDales Equine Hospital and Diagnostic Centre**

The position

A post is available for a veterinary internist holding DipECEIM or DipACVIM (or equivalent) to contribute to our internal medicine service while one of our Senior staff is on maternity leave. Our caseload consists of Thoroughbred, Sports and pleasure horses with a range of medical disorders, encompassing all aspects of critical care, sports medicine and general medicine. Medicine clinicians are primarily hospital-based but we also support our colleagues in ambulatory practice by providing specialist consultations on local farms and training yards. The successful applicant will also be expected to report haematology and blood biochemistry data and advise veterinarians using Beaufort Cottage Laboratories on case management. The hospital is very well equipped particularly in the area of Diagnostic Imaging and we have excellent facilities for Cardiology.

The out-of-hours emergency contribution is one in three. Our working week includes Saturday morning.

Applicants must be eligible to register with the Royal College of Veterinary Surgeons (<http://www.rcvs.org.uk/registration/>) and must have the right to work in UK (<http://www.jobs.cam.ac.uk/right/have/>)

The Practice

RosSDales LLP is an exclusively equine practice of almost 40 veterinary surgeons providing expertise over a wide range of disciplines. Within Newmarket, Beaufort Cottage Stables is the base for our ambulatory service, our clinical pathology laboratories, and our isolation unit. It also serves as our main administrative centre. Our Equine Hospital and Diagnostic Centre is situated two miles away, on the outskirts of Newmarket, within the adjacent village of Exning. We also have a branch practice near Baldock (RosSDales Hertfordshire). Over 90 support staff are employed between these three locations. In addition to Internal Medicine, specialist staff range across the disciplines of surgery, sports medicine, and pathology with part-time consultants in veterinary ophthalmology and veterinary dermatology ensuring we can deliver a comprehensive Specialist service to all the horses under our care. <http://www.rossdales.com/>

Application Process and Timelines

For further information and to apply, please submit your Curriculum Vitae to celia.marr@rossdales.com

Deadline for applications: 10 March 2016

Interviews will be held by Skype between 15 - 30 March 2016

We anticipate that the successful applicant will take up the position in June 2016 and the contract will be for around 6 months.
