Summerschool

11th -15th of July 2022

Ghent - Belgium

ECEIM Summer school 2022

The 8th ECEIM Summer school will be held from the 11th until the 15th of July in the historic city of Ghent (Belgium), with practical sessions on Wednesday the 13th of July at the Vetschool campus in Merelbeke.

Scientific Program

The scientific program of this summer school features 14 lectures on different topics in equine internal medicine and one day with several practical sessions on Equine Cardiology and Neurology.

Dates

- Monday 11th- Friday 15th of July 2022

Accommodation

- 13 O'clock Hostel Ghent / ROXI Residence Gent- Universiteitstraat 13, 9000 Gent.
- These are double rooms and a limited amount of single rooms available. Please mention a roommate on the registration form.
- Booking of the accommodation will be done by the organizing committee so you should not book yourself.

Registration

- Please fill in the attached registration form **before the 10th of April 2022.**
- Registration fee is 250 € with accommodation and 150 € without accommodation (if you choose not to book accommodation via the organizing committee).
- Transfer the registration fee to:
ECEIM Summerschool 2022
BE 16 7310 5384 4974
BIC: KREDBEBB

Please clearly mention the family name and first name of the participating resident!

- Send the completed registration form & proof of payment to: alexander.dufourni@ugent.be
(please note that your registration will only be accepted with proof of payment)

Registration

Summerschool

11th -15th of July 2022

Ghent - Belgium

Preparation

For the abstract writing session we will ask you to write a scientific abstract of 300 words beforehand. Authors names should not be mentioned. The abstracts will be reviewed by the time the summerschool starts and will be anonymously discussed within the abstract writing session.

Abstracts should be submitted before the 1st of June 2022 to: alexander.dufourni@ugent.be

Insurance

- All scientific activities will be insured by Ghent University.
- An international travel insurance is strongly advised for social activities as they are not covered by the university.

Social activities

Several social activities are being organized during the week:

- Guided city tour
- Guided boat tour
- Bowling
- Spare rib restaurant
- Guided tour on the vetschool campus

However, regarding the still ongoing COVID-19 pandemic, rules of the Belgian government and Ghent University still need to be respected. As we do not know how the pandemic will evolve, vaccination (3 injections or CST) against COVID-19 is strongly advised to participate to the social activities.

The organizing committee is looking forward to welcome you in Ghent!

Sincerely,

Alexander Dufourni
Ellen Paulussen
Zoé Neuckermans
Gunther van Loon
