

6th ECEIM Resident Summer School

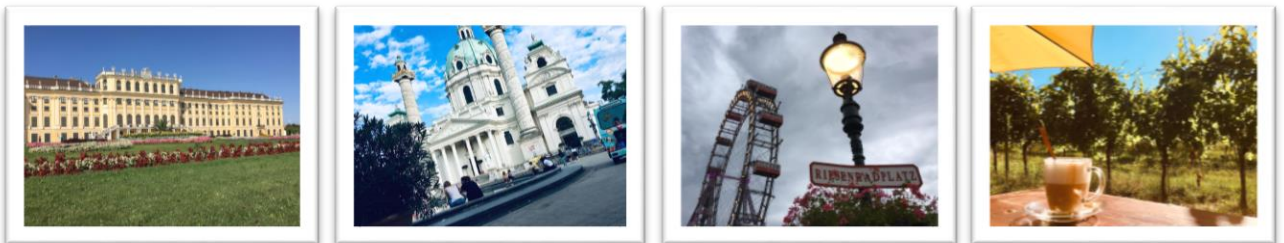

Vienna July 13th-17th, 2020

This year's Summer School will take place at the University of Veterinary Medicine Vienna and will cover recent topics in equine internal medicine. Among these are exam preparation, endocrinology, neurology, scientific writing ... and many more!

We are looking forward to welcome you in the busy and charming capital of Austria.

We plan on making the Vienna Summer School a memorable event with lots of possibilities to get to know each other, the lecturing Diplomates and the adorable city.

Come and join us in beautiful Vienna!
