

University of Glasgow
College of Medical, Veterinary and Life Sciences
School of Veterinary Medicine

Senior Clinician/Clinician in Equine Medicine

Vacancy Ref: 017892

Grade 8/9: £41,709 - £48,327 / £49,772 – £55,998 per annum

The Weipers Centre Equine Hospital is seeking to recruit an ambitious clinician to join the equine medicine referral service. Candidates must be eligible to register with the RCVS, and will hold an European, American or RCVS Diploma.

The successful candidate will contribute to (provide leadership - at Grade 9) and develop the clinical service and be encouraged to participate in national/international, high quality clinical scholarship and research-led education. You will contribute to academic developments in the Division and School through clinical scholarship, training and teaching as well as national level through external association. The College of Medical, Veterinary and Life Sciences offers extensive opportunities for high-quality collaborative research.

You will be based on the Garscube Estate, 10 minutes drive from the vibrant “West End” of Glasgow, and less than one hour from Loch Lomond. You will be joining a friendly and dynamic team and will have opportunities to develop all aspects of your clinical academic career.
