equine clinic

Bourton Vale Equine Clinic is a historic practice located in the beautiful Cotswolds. We are an RCVS-accredited equine veterinary hospital with surgical and inpatient facilities offering a 24/7 service to our clients, and surrounding practices.

The role would suit an individual who has recently finished a residency and is eligible to sit their board exams, or a board-certified ECEIM or ACVIM (LAIM) diplomate.

The hospital is supported by two surgeons, a team of predominantly ambulatory veterinary surgeons, five nurses and two hospital-based interns. The hospital is well-equipped for internal medicine and diagnostic imaging.

Bourton Vale Equine Clinic treats a range of horses and ponies with a genuine breadth spanning one-horse leisure clients, Thoroughbred stud farms and racing/Sport horses.

Both full- and part- time working patterns will be considered.

Salary will be commensurate with experience. Job package benefits include workplace pension scheme, opportunity to buy/sell holiday, HealthShield, enhanced maternity and paternity benefits.
