

Veterinary Associate (Internal Medicine) – Maternity Cover

RosSDales seek a dedicated veterinary associate to assist with internal medicine provision in our busy and renowned equine veterinary hospital whilst one of our senior colleagues is on maternity leave.

The ideal candidate will be a team player and integrate with our multidisciplinary specialist team.

The successful candidate will be expected to assist our internal medicine team in caring for in-patients, day cases and emergency admissions.

Our caseload covers all age groups and includes Thoroughbreds, sports and pleasure horses with a range of medical disorders.

The hospital is very well equipped for all areas of internal medicine and diagnostic imaging. Our state-of-the-art facilities include a newly built medical intensive care unit.

Clinicians are supported by a highly skilled nursing team and hospital-based interns.

Applicants should hold a further qualification such as DipECEIM or DipACVIM (or equivalent). Applicants who have completed a residency and are eligible to sit board exams will be considered.

Applicants must be eligible to register with the Royal College of Veterinary Surgeons (<http://www.rcvs.org.uk/registration>) and must have the right to work in UK.

Salary will be commensurate with experience.

For further information and for a full job description please visit our website www.rossdales.com.

Application Process and Timeline

If you would like to discuss the role please contact Emily Haggett by email (emily.haggett@rossdales.com) or call Emily on 01638 577754.
