

WE ARE SEARCHING FOR A CLINICIAN IN EQUINE INTERNAL MEDICINE

Mälaren Hästklirik is one of largest equine hospitals in Scandinavia, offering orthopaedics, sports medicine, internal medicine, and a full emergency and surgical service to our clients.

Our facilities include an orthopaedic clinic, two surgical theatres, inpatient care, advanced diagnostic imaging and dental care. In addition, we run an ambulatory and reproductive service. We are a busy clinic, with 25,000 patient visits per year. We have a very varied caseload including racehorses, sports and pleasure horses.

In the autumn of 2020 we opened our new purpose-built hospital, giving us even more capacity and ability to serve our customers.

We are seeking applicants for a full-time position as a clinician in Equine Internal Medicine, for a minimum time period of one year.

Responsibilities:

The successful candidate will be expected to:
Provide clinical services, mainly in-house, including emergency and critical care, gastroenterology, neonatology, poor performance, respiratory diseases, cardiology, neurology, ophthalmology, and dermatology
Contribute to the clinical training/teaching of junior colleagues, including interns and externs

Qualifications and experience:

The applicant should be ECEIM or ACVIM Diplomate or have completed a residency in Equine Internal Medicine. Time for board exam preparation can be arranged if necessary.

Applicants must be fluent in English or in one of the Scandinavian languages

Compensation:

Salary will commensurate with experience. Additional benefits such as 6 weeks of annual paid leave, covered phone expenses and an extended medical insurance are included. Accommodation can be provided on site.

Please submit a written application, including a CV and letter of intent, to ansokan@hastklinik.se
Review of applications will continue until the position is filled.
