

Equine Internal Medicine Specialist

The Equine Hospital of the Jockey Club of Saudi Arabia in Riyadh is seeking an equine internal medicine specialist.

This is an exciting and challenging opportunity available at this hospital to allow an expansion of medical services. The hospital sees a wide variety and a large number of medical cases. The position will be a full-time position.

Equine diplomates (Surgery, Sports medicine and rehabilitation) will collaborate with this specialist.

Applicants will be expected to be ECEIM or ACVIM Board-certified specialists or Board Eligible. The position will require contributing to the after-hours rotation, supervision of interns and other specialties residents (ECVS resident). Fluency in written and spoken English is essential.

An opportunity to set up a residency programme in equine internal medicine is likely.

The salary will be commensurate with experience and qualification level but is tax free. The package will include accommodation, vehicle use, Medical insurance, annual return flights and a CPD allowance.

Applicants should send a CV and a covering letter. For submission of the application and/or further information, please feel free to contact:

Aziz Tnibar DVM, PhD, Dipl. ECVS, Dipl. ACVSMR/ECVSMR. Clinical Director & Head Surgeon.
