

CENTRE HOSPITALIER UNIVERSITAIRE VETERINAIRE
Pôle équin – Service de médecine interne équine
Atlanpôle – La Chantrerie BP 40706
44307 NANTES Cedex 03 - FRANCE

The equine clinic of Oniris, Nantes Atlantic College of Veterinary Medicine, Food Science and Engineering in France is opening a full time position for a senior clinician in Equine Internal Medicine, starting September 1st, 2022 or by specific arrangement.

Come and join our dynamic team consisting of more than 20 equine veterinarians including 6 to 8 interns, 2 ECEIM residents, 2 ECVS residents, 1 ECVAA resident and 6 Diplomates (2 ECEIM, 2 ECVS, 1 ACVAA, and 1 ECAR). Our caseload is rapidly growing and is quite diverse, ranging from sports medicine to neonatal intensive care.

Responsibilities include shared clinical service (including emergency service), supervision of interns and ECEIM residents, and teaching 5th and 6th year students during their clinical rotation. The candidate must be comfortable with all aspects of emergencies. Research activities and/or administrative tasks can be added upon interest and profile of the candidate.

The Veterinary Teaching Hospital of Oniris is located on the outskirts of the city of Nantes in a beautiful landscape along the river Erdre. Active city life and beautiful countryside living are minutes away. A 40-minute drive will take you to the Atlantic Ocean. The area is rich of its history and touristic attractions.

The candidate should be ECEIM or ACVIM Diplomate or have completed a residency in equine internal medicine. Time for Board exam preparation can be arranged if necessary. Salary will commensurate with experience. Basic French language or willingness to learn and become rapidly fluent is mandatory.

Please submit written applications (CV, letter of intent and contact details of 3 references) to aurelia.leroux@oniris-nantes.fr or anne.courouce@oniris-nantes.fr. Review of applications will continue until the position is filled.
