

PFERDEKLINIK
NINDORF

The Equine Clinic Nindorf is looking for a specialist in internal medicine (board certified or board eligible preferred) to join our growing team.

Our clinic is located just south of Hamburg in a beautiful landscape (Lüneburger Heide), offering the enjoyment of nature while having multiple cultural experiences nearby. This part of Germany has a large equine population, including sport horses of a wide variety and active breeding farms. The 5-star eventing showgrounds in Luhmühlen are only 15 minutes away.

The Equine Clinic Nindorf has opened in the beginning of 2018 and has quickly grown since then. Currently the team includes 8 veterinarians, two with board qualifications in the ACVS and/or ECVS. We are dedicated to provide the best standard of care possible and are looking for an individual to further develop our internal medicine service. Our case load includes a wide variety of medical problems, a growing number of neonatal foals each year and the potential to expand into areas of special interest.

The successful applicant will work closely with the other members of our team and will have the opportunity to expand and organize the medical service. Salary will be commensurate with experience and qualification level. Starting date is negotiable. Applications are invited starting today and the position will remain open until filled.

For more information or to submit an application please contact Dr. Anna Roetting at roetting@pferdeklunik-nindorf.de or under+49-162-9710077.
